

# The Magical Shell

by ENDEAH CANTY

The Magical Shell is an award winning fun and enchanting storybook. Perfect for young readers with curious little minds and big imaginations. This captivating children's book will transport kids into a magical world under the sea. This book follows a young boy, Johnny, who is known for his big imagination and fun adventures. On family beach day he discovers a large shell buried deep in the sand. He decides to look inside and whoosh!! He finds himself spiraling deep into the ocean and mingling with all the creatures under the sea. With beautiful illustrations, great educational facts, and the alluring mysteries of the shell, this book is sure to capture the hearts of readers everywhere.

Family, Children's Action & Adventure

## WHAT READERS SAY

"My daughter... stayed so engaged... wondering what would happen next and excited saying what she could see on the page."

Ebony Fleming | ★★★★★

"This book will simultaneously encourage your child to visit the wonders of their imagination and help instill a love of the nature around them."

Marcus Barber | ★★★★★

"...remind us to dream wildly and freely, and enjoy our experiences even when others don't understand or share them."

You K | ★★★★★
